Travel

Arrangements will be made to collect and return children to specific pick up points. The Club's responsibility stops and starts at these points. It is your responsibility to arrange safe travel to and from the pick up points. If you are ever delayed in collecting your child, please make every effort to contact the Club Contact or the escorting helpers so we can discuss arrangements for your child.

Non-Football Activities

There may be occasions when your child is involved in planned and structured non-football activities such as a trip to the cinema, bowling or participating in a fund raising event. The Club will have collected appropriate information in preparation for the activity (e.g. about the journey, the children's various needs and helper skills), identified any potential risks or dangers, minimised the risks and dangers by careful planning and precautions and made sure we know who is responsible for putting precautions into place (e.g. who will carry the First Aid kit). This process is called a risk assessment.

Remote Supervision

There may be occasions when your child is involved in planned and structured unsupervised non-football activities (e.g. shopping trips) whilst on tour. Players will only be permitted to participate in these activities if it is considered appropriate to do so. You will be informed prior to the event if any form of remote supervision will take place for such activities and the nature of these activities.

Water based activities

There may be occasions when your child has the chance to be involved in planned and structured swimming activities. On these occasions appropriate supervision, including qualified lifeguard cover, will be provided.
