What happens to Skelton United FC funds ?

HOW DO WE SPEND OUR MONEY

Where does the money go?

1

We regularly replace each teams home and training kits. We currently operate on a two year cycle to tie in with sponsorship arrangements.

2

The club covers the cost of Insurance and CRB/DBS checks for all Managers and Coaches.

The club also provides FA safeguarding certification and FA Level1 Coaching qualifications for each team

3

Winter training at an indoor or all weather facility is provided for all teams. This is one of the single largest expenses for each team

4

Our annual presentation provides every child with a trophy to celebrate their efforts during the season. Each team is allocated two special prizes to reward extra effort

5

The club provides every team with training and match equipment.

Each team receives FA approved match balls and First Aid kits

6

The club covers the cost of league officials/referees and entry into the County Cup

7

The DeBrus Playing Field and North Skelton pitch

The club owns the lease on both facilities to ensure pitch availability for all age formats

We accomodate 5v5, 7v7, 9v9 and 11v11

8

The club covers all ground maintenance costs to ensure league standard pitches are available to all teams.
